

Leeds County Camp

Bold @ Bramhope

Information for Leaders - Pack 1

The County is planning a camp for Guides and Rangers over the bank holiday weekend of the 26th - 29th May 2023. We are incredibly excited to be offering County Camp after such a long time. This camp is being run by volunteers in the County and we will also be using some external groups for activities.

We'd love every Guide and Ranger to be given the opportunity to attend so we hope that the camp will be well attended by experienced Guide and Ranger leaders and those who have never camped before. Units do not have to have a Going Away With Licence to attend this camp as support will be provided for those who do not. We can help arrange this or you might choose to link up with another unit where a leader has a licence. If your unit has no leaders able to attend then perhaps another unit would be happy to have your Guides camp with them. If you don't have tents or cooking equipment then we can hopefully link you up with another unit who have enough to share.

Rangers can choose either to come and take part in the full activity programme or to come as service team and help with a range of tasks over the course of the weekend. Those taking part in activities will pay the same as the Guides. Those joining as service team will pay just £25 to cover the cost of food and campsite fees.

What will be provided and what is required from units?

The camp planning team will plan and deliver a programme of activities covering Friday evening, the full day on Saturday and Sunday including evenings and Monday morning. Leaders are likely to be needed to accompany girls to activities and to help with some sessions.

Units will need to arrange transport, tents and food and cooking.

Deposits

Please can deposits be in by 30th November 2022. We are not taking deposits for leaders or service team at this point.

Service team

If you have Rangers or you are a leader who may want to be part of the service team, please contact adventure@girlguidingleeds.co.uk

Cost of the camp

The amount payable to county is £70 for Guides and Rangers and £15 for leaders. Please note that this cost does not include food. Units will need to calculate their own costs for this and add it to the price charged to Guides and Rangers.

Activities

We have high expectations about the range of activities that will be on offer however we cannot confirm a specific list until we have firm numbers. The more girls attend the better the offer! However, we hope that the activities outlined in the parent's letter will be the minimum offer.

Parents form

Please feel free to use the editable parents booking form. The form is editable so it can be adapted for your unit and the variety of ways you communicate with parents. In particular, the price is not included so that you can add on your food and transport costs to the amount you communicate to parents. You may also choose to divide the leader cost among the girls.

If you are a Ranger leader then please note that the form doesn't mention the service team option so you'll need to communicate that separately.

Payments

A deposit of £25 per Guide/Ranger is required by Nov 30, 2022

Cheques Payable to:

Leeds County Guide Association

Queries

If you have any questions about the event, please contact adventure@girlguidingleeds.org.uk and we will aim to get back to you as soon as possible. It's possible that we won't have all the answers at this point but we will let you know if that's the case.

And finally....

Many of the volunteers who are running the camp are Ranger and Guide leaders so please be assured that we will always consider things from a unit leader's perspective. We will try to make things as easy as possible for you so do let us know if there is anything you need.
